

The Thickets

Chance Greay quickly comes of age when his whole world is taken from him in a horrid act of violence. Will he remember the wisdom passed on to him by his father, or will he also lose himself in his quest for vengeance? Enter The Big Thickets of East Texas in a time when it was ruled by men & women that had reason to hide from the law. Set in the 1890s this novel will bring you back to a time when people settled their own problems and handed out their own form of justice.
