

Veil of Civility: A Declan McIver Novel (Black Shuck Thriller Series)

A slick, well-executed thriller!

~ Steven Konkoly (author of the Black Flagged thriller series) NOTHING CAN STAY HIDDEN FOREVER...

During the last days of the Soviet Union an elite team of operatives were trained throughout Eastern Europe. Loyal to the Provisional Irish Republican Army, they were known only by their codename, Black Shuck. In the years that followed betrayed from within by the internal power struggles of the IRA the team members were hunted down. Three survived, fading into the turbulent streets of Northern Ireland. To this day, their identities remain a mystery but nothing can stay hidden forever. For years, Declan McIver has lived under the radar married to a beautiful woman and operating a successful business but that life is about to change. When a planned meeting with an old friend goes horribly wrong, Declan finds himself on the run from a shadowy conspiracy that will stop at nothing to keep their evil intentions a closely guarded secret. To survive, he'll have to rely on long dormant training and reach deep within himself to a place and time he'd hoped to never return. As his past is laid open for the world to see and events begin to spiral out of control who will win and at what cost? Declan McIver blasts his way in to join the league of international hard men with this tense, fast-paced, and brutal story of terrorist threats, double-cross, and political conspiracy!
