

Death of a Dustman (Hamish Macbeth Mysteries, Book 16)

When Fergus Macleod, Lochdubhs abusive, drunk dustman is put in charge of the local recycling center, Hamish Macbeth smells trouble. Sure enough, Fergus, imbued with his new powers, becomes a bullying tyrant. When his body is found stuffed in a recycling bin, no one is sorry - including his long-suffering family. But Macbeth is surprised to find that many of the despicable dustmans victims refuse to talk - and when violence strikes again, the lanky lawman must quickly unearth the culprit among a litter of suspects . . . before the killer makes a clean getaway!
