

By the Sea: A Sexy Billionaire Romance (Books & Billionaires Book 3)

The minute I sign those documents, I lose everything. I never wanted your money, Booker. I know. Its one of the reasons Im here right now. He took a deep breath. But wouldnt you like to spend it? The idea is simple. An extravagant holiday to spend as much money as Booker and Clara can before it all gets taken away. But Booker isnt telling Clara the whole truth. Theres another reason theyre going to his private, tropical island. A reason that could see Booker dead, and Clara in jail. What could be important enough for him to risk everything? And who is the mysterious woman Clara spies kissing Booker when they arrive? By the Sea is a short, steamy romance. It contains smoking hot action between a curvy librarian who plays by the rules and a devilishly handsome Billionaire intent on breaking them, including a sensual hot tub scene and outdoor fun at the beach! Each book in this four part series is a self-contained episode within a larger storyline. This book does not contain a cliffhanger, but does reference a larger story that unfolds across the series.
