

## Cotton FBI Collection No. 2: Episodes 5-7 (Cotton FBI: NYC Crime Series Collection)

A new legend is born! COTTON FBI is a remake of a world famous cult series with more than one billion copies sold. EPISODE 5: THE INFECTION. The man with the inflamed stab wound in the Bedford specialty clinic is no ordinary patient. His name is Jeremiah Cotton, agent of the FBI, and he thwarted a biological weapon attack. Because he might be carrying the pathogen himself, he cannot leave the hospital grounds. Then one of the other patients dies under peculiar circumstances. Cotton starts to investigate - looked over by personnel as just a hobby detective and viewed with suspicion by hospital management. But then there is an attempt on Cottons life and things get serious - and personal ... EPISODE 6: BONY BEACH. Human bones were uncovered by a winter storm on one of Chappaquiddicks beaches. While examining the remains the police found a dozen more buried in the sand. Philippa Decker and Jeremiah Cotton from the FBI's G-Team are on the scene to investigate. They are supported by Dr. Connors, a retired forensic doctor from homicide. For a long time he had been convinced that there is a serial killer active on the island, but no one ever believed him. He asks the two agents to help him find the killer. Just as a blizzard blows over the island, a dramatic showdown takes place ... EPISODE 7: THE KUMO CARTELL. John Saito, an American business man of Japanese descent, lies in his penthouse. He was murdered. All he had on was a condom. He had two Asian ciphers scrawled on his forehead which together form the word ?kumo - the spider. It seems that the man was killed by some poison during sex games. Saito is not the first person to be killed in this manner. The G-Team is called upon to help solve the murders. Special Agent Jerry Cotton and Philippa Decker first suspect the Yakuza, or a similar organized crime gang, to be

responsible for the killings. However, the true meanings of the homicides go far deeper. The traces lead to a network of dirty business and to a woman who is more dangerous than a Spider ... and deadlier.
