

The Sovereigns Decree

Joshua Steele, Pat Michaels and Peter Cole were good friends with a common interest and fascination with spiritual and esoteric matters. To some degree, all three were naturally psychic. Their lives changed after a night of encounter with a Universe Administrator known as The Ancient of Means. As they sought to understand the encounter, conflict erupted between them. Peter went off on an investigation of the matter separate from Pat and Josh. The negativity of his anger and jealousy led him to a situation that will bring him ultimate doom... SIX GATE! However, Pat and Josh were confronted personally by The Ancient of Means who called on The Universe Sovereign to empower them for the fight of their lives. There are demon aliens in SIX GATE who call themselves THE SIX!
