

## One World Order

As this captivating tale of international intrigue unfolds, the Islamic World Order (IWO) plots to destroy the US Coalition and fulfill their goal of establishing a one world Islamic government. As IWO prepares to unleash the most audacious terrorist attack in history, CIA operatives in Saudi Arabia scramble to uncover their diabolical plot. Despite the evidence, the Washington bureaucracy demands time consuming confirmation. Its a race against time to save the western world. As someone who enjoys thrillers and international espionage, I was caught up in the plot from the very beginning! It is exciting and entirely within the realm of possibility. As a Pastor, I was intrigued with Christiansons sensitive portrayal of the worlds three great religions and how the faith of an individual can influence world events. To see a novel stay true to theological realities is a blessing! An exciting and engaging read! Dwight Ike Reighard Pastor, Author and CEO of MUST Ministries Armageddon convincingly portrayed. Breath-taking in its scope by connecting all the dots of international terrorism. A must read for anyone with interest or background in political-military affairs. Colonel Mike Boyce USMC (Retired)
