

The Silence before the Scream (Davy Johnson Series Book 2)

Perfect for fans of Ian Rankin, Stuart MacBride and Denise Mina. When the daughter of Edinburgh's most powerful crime lord is kidnapped all hell breaks loose in the city. Determined to find her without the hindrance of the police Gus McEwan summons his most reliable men to track her down. Davy Johnson, still reeling from witnessing an horrific suicide is in no position to refuse. As the violence escalates but no ransom note emerges Davy must convince Edinburgh's most fearsome gangsters that this isn't about money or power, but something far more primitive. What readers are saying about THE SILENCE BEFORE THE SCREAM A rollercoaster ride through Edinburgh's colourful underbelly. A brilliant read, highly recommended. I read The Silence Before The Scream rapidly, and the second half in one session. That's how gripping it was. Just as good if not better than the first book in the Davy Johnson series, love this author, love the direction she takes, simply brilliant. The Silence before the Scream is the second book in the Davy Johnson series.
