

Earthly Vows

The award-winning author of *Fallen Angels*, *Nazareth's Song*, and *Whisper Town* delivers the final novel in the acclaimed Millwood Hollow Series of role reversals, strange bedfellows, and ultimate redemption. Jeb Nubey and Fern Coulter are finally setting a wedding date, but their plans are derailed when a trip to Oklahoma to visit Fern's family catapults them into Fern's past she would prefer remained buried. Additionally, the challenges and perks that come with the wealthy community church Jeb is called to lead give him food for growth; however, this new found enlightenment appears arrogant in light of Fern's insecurities. In the midst of their struggles, Jeb and Fern must also deal with the disappearance of Angel, Jeb's adopted daughter. He must retrieve her from the dangerous young man who has played on her vulnerabilities and lured her away promising to fill the emptiness she feels. *EARTHLY VOWS* takes a look at how easily those we think we know so well can fall into behaviors and make decisions we would never expect. Through this, Hickman shows how broken circles can be redeemed and how we can find beauty in life's flaws.
