

Earths Magick Book 2: Water (Volume 2)

Mela's story continues in the second book in the Earths Magick series. Mela Malone is one of the most powerful Witches in Texas. While learning how to defeat Evil using magick, and a sword, the unexpected departure of two of her closest friends disrupts the balance of her world. Meanwhile, a new threat comes to Trinity Hills, Texas that puts even the innocent townspeople in danger. Mela must step up and defend, not only those she loves, but the entire town. Both old and new friends bring additional complications into her chaotic life...especially since one of them is a handsome Witch on a mission of his own.
