

Soul Travelers

Click this link to read a review of Soul Travelers. Journals are more than a place to write your thoughts; at least for Marisa Sinclair. It is her only link to reality. Since childhood, a part of Marisa leaves her body, and she finds herself a prisoner in the minds of a myriad of people. She has no control over when the Visits occur, the term she uses to describe this anomaly and far worse, no control over the hosts actions. Desperately searching for an answer, her journey leads her into a world of danger. Someone knows her secret and wants to teach her to manipulate the minds of those around her. Her only hope of survival is to find a way to unlock her memory, to reach beyond this world to remember what she truly is. Time is running out though.

? eXTReMe Tracker Personal Strength: Evolution Pro-Ana has Evolved. Ps-Evolution is a Pro Ana/Pro-Ana/ C.R.O.N. CRON Calorie Restriction for Optimum Nutrition resource and forum, seeking to include adult Pro-Ana, Pro Ana, proana, mia, C.O.E.
