

Fame, Fortune and Legacy

Why are we here?...What is the meaning of life?...Is this all there is to life? We have all thought of these questions, or similar ones at one time or another in our lives. I am a writer, I am also a man who has faith in both God and goodness, and in the power of which they possess. Read Fame, Fortune and Legacy, and just maybe....perhaps walk away with a more open mind. And just maybe, walk away with a little more peace, in your heart. NOTE: This piece was intended to be for free for everyone to download, there seems to be a 0.99 mandatory option for price here, so I am sorry, and I DO understand if you choose not to download it.
