

Full Moon City (Kitty Norville)

DANGER LURKS IN THE HEART OF THE CITY . . . BUT NOT ALWAYS WHERE YOU EXPECT IT. From New York to Los Angeles to Bucharest, fifteen never-before-published tales by some of the worlds finest fantasy and horror writers celebrate the newest incarnations of an age-old terror that strikes when the moon is full . . . the werewolf. No longer confined to the forests, these modern monsters can be found in places you frequent every day and never before thought to fear. CARRIE VAUGHN's popular werewolf radio host Kitty Norville is drawn into a controversy as to whether its fair to ban lycanthropy from professional sports. New York's famous Plaza Hotel is the setting for ESTHER M. FRIESNER's tale of one very grisly little girl, while Beverly Hills may never quite recover from RON GOULART's middle-aged Hollywood screenwriter who falls prey to a most unusual problem. Celebrated fantasy author PETER S. BEAGLE tells a chillingly lyrical story of three Louisiana loup garoux locked into a deadly dance of death. Plus many more biting tales from award-winning authors: HOLLY BLACK P.D. CACEK GREGORY FROST TANITH LEE HOLLY PHILLIPS MIKE RESNICK DARRELL SCHWEITZER LISA TUTTLE IAN WATSON GENE WOLFE CHELSEA QUINN YARBRO
