

## Uncommon Thieves

A security van hold up in France, a violent death in a peaceful Dorset village, and a beautiful financial high flyer with connections to Russian oligarchs. Somehow they are all connected to a missing case that they all want. DCI Greg Henson, a solid career cop and devoted family man, grapples to pull the threads together whilst an Irish crime boss and the shadier elements of the security services do their best to stop him. The conspiracy he uncovers and the answers he gets will shake him and his family to their foundations. He soon discovers that betrayal is only the beginning.
