

## In the Manor of the Ghost

Kaitlin Dupree never planned to remarry, but she accepts Devlin Claybornes contract to be his wife in name only and mother to his son. As new mistress of Clayborne Manor, she finds the home mirrors the man. Both hold dark secrets. Both entertain ghosts. And no matter how much light or love she tries to bring into the recesses, Devlin seems content to walk in the shadows, tormented by whispers from long lost times. But who haunts Clayborne Manor? The ghost that restlessly walks the halls at night? Or the silent memories that plague the minds and spirits of those in residence there? Though not inclined to believe the dead can walk the night-laden corridors, Kaitlin can see them clearly in the eyes of her husband, Devlin, and hear them in the deafening silence of her son, Derrick. Does she have the courage to search the past and face the ghosts? Does she have the faith to stay and direct all those who dwell In the Manor of the Ghost to the one who sets the captive free?
