

## Sparring with Shadows (Gaslight Mysteries 2) (The Gaslight Mysteries)

Something about Simon Harts new PI partner Michael McCree--not to mention his secret vocation--invites trouble. Simon finds himself sparring with shadows: in the hidden bedrooms of a roaring twenties version of a gay bar...as a chained wall decoration in the flat of a thief and sexual deviant...as the quarry in a deadly confrontation in an exhibitionists bed...and finally in a sewer tunnel beneath the streets of a 1923 city somewhere in Ireland. Above all, Simon is sparring with the shadow of his own secret urges. Michael will not allow him to turn away from a kind of private investigation of which he has not even dreamed, until now. Follow a fastidious, surly investigator and his randy yet secretive partner through the very cracks in a city of gaslights and vintage motorcars, into a hidden homosexual culture, as both men find themselves sparring with shadows.
