

Redemption Quest

Steve was at the lowest point of his life. He lost his job, his house was going to be foreclosed, and his wife was leaving him. He felt he had had enough. Ending his life seemed the best option. As he was about to take his own life, an angel appeared and said that God was giving him another chance. He will be sent to the past and will relive his life in a Native American village. He will be called Lone Wolf. As Lone Wolf, he gains the fame and respect of the village through his futuristic knowledge, skills, and ingrained wit. He also meets Standing Doe, a good-natured woman whom he falls for. Now he seems to have everything, but his life is in danger as he attracts the envy and hatred of Two Crows. What will become of him? Read more to find out.
