

The Reggis Arms Caper: The Chance Purdue Series - Book Two

Try as he may, Chance Purdue can't seem to escape the world of private investigation. The now tavern owner returns to action to protect Princess Sonia of Kaleski, who claims to be the wife of an old Army buddy. Convinced he'll get to the bottom of things at his Army battalions reunion, Chance indulges in the entertainment while leaving the more serious detective work to his new colleague, the scintillating Brandy Alexander. For Chance, the case provides more fun than intrigue, and yet its solution is a surprise for everyone involved.
