

Aries: The Sign Behind the Crime ~ Book 2

Lying. Deception. Cover-ups. Anger. Revenge. Death. That's what happens when an Aries-obsessed killer combines black magick rituals, knives and murder. Samantha Wright, a rookie NYPD detective, gets her first case, a big one, by stumbling over the body while jogging in the park. Sam has a lot to prove, both to herself and to her new precinct, on this serial murder case involving fashion icons in NYC. Together with a rough around the edges BJJ fighter, forensic psychiatrist, Frank Khaos, Sam chases down leads through the five boroughs of NYC. As the bodies pile up, sparks fly and Sam and Frank, polar opposites, go from their dislike for each other to setting the sheets on fire. But their main suspect is hooked up to an IV in a hospital bed, so how has she pulled off five murders in seven days? And can Sam and Frank stop her before even more innocent lives are lost?
