

XXXtreme Discretion

In the dictionary, under the definition of the word psychopath, there should be a picture of Dwight Barnes, a self-made business man whose success was born out of his twisted desire to fulfill a secret promise to a lost loved one. When Roxbury, New Jersey detectives, Monica Ross and Mike DTavio, discover their case involving a missing woman might be linked to three others in the nearby area, all traceable to a casual-affair dating site known as XXXtreme Discretion, they try to fit the puzzle pieces together with little success. Aided by a mysterious child, and a lover from her past, Monica takes the lead in the investigation, trusting her instincts, along with a little cryptic help from a surprising source. With strange twists bombarding her from all directions, she eventually finds herself on a collision course with Dwight Barnes, a cold-hearted monster born of a tragic childhood. Barnes, a serial kidnapper, will stop at nothing in order to claim his simple, yet elusive prize. Attempting to rescue those who might still be alive, Monica spirals into what appears to be a hopeless situation of pain and suffering, leading to an unexpected ending that will keep everyone on the edge of their seats.
