

The Song of Miss Tolstoy: A Fable (The Portsmouth Stories Book 5)

Miss Tolstoy's mundane job is rudely interrupted when a mysterious Auditor calls her in for interview. She is soon thrown into a bizarre world in which all the norms she accepted are turned upside down. But is this other world a paradise or something far stranger? As she tries to find out, Miss Tolstoy is forced to face her darkest fears, and discover a truth about her life she had never imagined possible. An adventure, a joy and unexpectedly profound. Note from the Author: The following story tells the tale of Miss Tolstoy, a young woman like so many other people, be they men women, young or old, who are held back by their beliefs and their fears. The story is many things. An extended metaphor, a fairy tale, a fable.

Whatever you make of it, I hope you will find something at its heart that speaks to you directly that is in the end uplifting and inspirational. Make of it what you will. After all, it's your story, now. (For your guidance: This book is a novella, running to 25,000 words. That's about half the length of a novel like Harry Potter and the Philosophers Stone.)
