

Memoirs of a Dead Guy

Kent has just had a dawning realization. As he slowly turns to face his bed, he wants to hear his daughter laugh one more time, tend to his vegetable garden, and pet his cat. As his reverie is interrupted by a dim glow, an apparition appears before him. As his guide reaches out for his hand, Kent wonders who will water his veggies. It is his time to die. It is not long before Kent discovers that equal opportunity exists in the realms beyond our Earth. As his guide forces him to endure an excruciating scrutiny of his soul and motives in life, Kent is able to see the good he performed, the help he tendered, the evil he fell victim to, and the inspiration he provided. Now on a journey curing which he must coexist with strange souls, feel a wide range of emotions, and reconcile his life on Earth, Kent learns that he cannot move forward on his destined path until he finds the part of his spirit that is missing. *Memoirs of a Dead Guy* delves into realms of truth and wisdom as a rebellious soul attempts to discover the purpose of life and the ramifications of his past deeds.
