

Minuet and Serenade

Min & Sera grew up believing their parents died in an car accident. They learn their parents deaths were anything but accidental. A buried video tape, a bundle of old letters, and their grandparents wedding contract send them on a journey of discovery. Their search for answers takes them from northern California to the mountains of West Virginia, and on to Ottawa, Paris, and the French Riviera. They learn stories of the French Underground, stirring danger Min & Sera thought was long dead.
