

The Mortalist

Dr. Joshfamily physician, reluctant clairvoyant, and bad detectivehas a problem. The visions have been rough enough, each one rocketing him forward to a patients final breath, but at least they help him figure how to save a few. Until he examines Dennis Delveccio and sees a future holding something else entirely, bloody and violent and completely outside his medical world. Unfortunately, hes still obligated to try to change it, a puzzle of fate that will drag him through the guilty secrets of a college town, heading towards a hypothermic endgame on the snowfields beneath the Continental Divide. Join Josh, armed with little more than wry humor and an angry wife, the fearless Linda, as he leaves the everyday tragedies of medicine on a hallucinatory journey from shadows into light.
