

## The Man with Two Eyes (The Hunt for the Wallaby) (Volume 2)

Nascent Payne, private investigator, takes on his second case, the disappearance of Helena Popov. It soon turns out that Helena has been murdered, and Payne suspects that his client, Helenas dad, at least knows more than hes letting on. He may even be a suspect. Or maybe its Helenas boyfriend -- or is he her pimp? Or perhaps its time for Payne to become a full-time Wallaby hunter. The Man with Two Eyes is the perfect size to provide a normal reader with a few hours of enjoyable reading. But who ever said youre normal? So adjust the light, sit back and have fun with a few hours of paranormal reading. (Though Paynes sidekick Flynn would tell you, its not paranormal, its science.) The Man with Two Eyes is the second Nascent Payne Mystery, and the second book in the Wallaby Hunter series.
