

Conflict on Kangaroo Island

Conflict on Kangaroo Island takes place in 1913 in South Australia, when talk of war in Europe is intensifying, and Germany is both customer and potential enemy of the islands resources. Mystery and suspense, history and fascinating characters form an enthralling whole. You certainly have a habit of nosing your way into other peoples business! Sergeant Lawrence of the Kangaroo Island police sees Pansy Pearce as an annoying busybody, and many others agree. Ugly strife on the island is already causing conflict between farmers and those aiming to preserve indigenous species. When this inquisitive yet compassionate young woman tries to defend victims of ignorance, social prejudice and violence, she finds herself in clashes on several fronts. But real danger threatens when she steps into the mysterious affairs of the Dodd family; while Pansy fights a secret internal battle of identity.
