

Pinprick

All villages have their secrets and Brantham is no different. Twenty years ago, after foolish teenage risk taking turned into tragedy, Shane left the rural community under a cloud of suspicion and rumour. Events from that night remained unexplained, memories erased, questions unanswered. Now a notorious money hungry politician, he returns to his birth place when the offer from a successful property developer is too good to decline. With big plans to haul Brantham into the 21st century, the developers have already made a devastating impact on the once quaint village. But then the headaches begin, quickly followed by visions and nightmares. Soon Shane is wishing he had never returned, as Brantham finally reveals its ugly secret and Shane will never be the same again.
