

## Prophet Shorn

Straddling the line between horror and paranormal thriller, Prophet Shorn details the last few days for a town started by a powerful and charismatic mayor and leader of his people. But the town has dark secrets and Edgar Shorn has even darker ones. Jo Rondel and her daughter Candy arrive in town in a car that will go no farther. Jo is convinced this is where her hope of a better life has been leading her, but things which at first seem slightly strange quickly escalate into a terrifying trap that no one gets out of alive. Jo falls under the hypnotic spell of the mayor and Prophet, and Candy finds that her only hope lies in Elijah, the mild-mannered and seemingly Alzheimers-bound librarian. As the people fall victim, one by one, to their leaders depravities, Jo realizes she will never see the larger world again. Edgar Shorns evil secrets force her into accepting her fate, but though her forgotten past finally catches up with her, she never stops trying to save her daughter. Candy is learning in just a few days what it means to grow up hard and fast. The final showdown between Shorn and Elijah, protecting Candy, proves that good is stronger in this world, but there is a price to be paid. Candys life is changed forever, and the future doesnt look bright for a four-year-old who didnt ask for any of this.
