

Literary Criticism: Plato to Dryden (Waynebook)

This volume attempts to represent European theories of poetry from Platos time to the year 1700. Editor Allan H. Gilbert has selected writers who in their own day spoke for the future rather than the past, and those whose conceptions are of value at present, either in developing our own critical thought or in interpreting the most important literature of their own ages.

? eXTReMe Tracker Personal Strength: Evolution Pro-Ana has Evolved. Ps-Evolution is a Pro Ana/Pro-Ana/ C.R.O.N.
