

The Future Patriot of 1776

J.R. Bourlands *The Future Patriot of 1776* will keep you spellbound as you look deeper into the lives and family of George and Patricia Alexander, which includes an obscure fourteen-year-old grandson, George Thomas Alexander III who goes by Alex and lives with his family in Salt Lake City. Alex has an unusual aptitude and interest for the Declaration of Independence and the Preamble to the U.S. Constitution. His grandfather George senior feels Alex has a special gift and is destined to do something important with that gift. But this young mans life hangs by a thread as he awaits a donor for a heart transplant. Will he be saved? And...that name, George Thomas Alexander. It has been said that everything is in a name...with that in mind, you wont want to miss the mystery and intrigue masterfully woven throughout the writings of constitutional scholar J.R. Bourland.
