

## Louisville Bridge Murder

Charles Earl, Mathematician, Bridge administrator, and Expert Player, travels to Louisville, Kentucky to a national bridge tournament of the American Bridge Congress. He finds more than card play and administrative meetings, however! Read the pages of this fast-moving story to see if you could have discovered what he and his family brain trust uncovered! A portion of the proceeds of the sale of this work will go to MyHeart/YourHeart at The university of Michigan Cardiovascular Center, to Community Systems Foundation, an international NGO, and to the Ann Arbor City Club (non-profit).QR codes are an interesting feature to provide a richer reading experience. They appear in all works in this series.
