

Tangled Web Revised

Vinod Kapoor arrives in Chennai on a Saturday evening to start his new job. That day he decides to paint the town red by visiting a bar and picking up a babe. The babe turns out to be Neelambari; a cute movie starlet. They end up in her house, guzzling brandy, but Vinod Kapoor suddenly loses consciousness. He wakes up groggy and unsteady, well past mid night and is shocked to find Neelambari dead, savagely butchered on the double bed beside him, his own clothes drenched in blood. Vinod Kapoor finds himself in the tangled web which leads him to nail biting adventure to beat James Bond movies!
