

## House of Strangers (Brad Schrader mystery series Book 3)

When Brad Schrader picked up the phone, he never expected to hear the voice on the other end, a voice he had not heard in thirty-nine years. It is his mother. He is thrilled at first, then hurt when he realizes the true reason for her calling. She isn't interested in him as her son, the writer, but as the retired lieutenant from the New York City police force. Kevin, one of her sons from her current marriage, is the person of interest in three homicides. She wants Brad to prove his innocence. The problem is he is not to reveal his relationship to the rest of the family. Reluctantly, and with his wife's insistence, he accepts. Will Brad be able to keep his promise to his mother? Can he convince his hesitant partner, Lieutenant Joseph Spencer, that he is only helping to solve the murders and not take the limelight? Or is Kevin really the killer? Hopefully, he can find the answers before another victim is discovered.
