

Shadows in Summer: A Novel in Six Voices

Plagued by dreams of her dead father, Katrina Nielsen returns to her native Denmark to face the ghosts of her past. After seven years in New York, sidelined by a career-ending injury, Katrina is determined to reunite her shattered family. But when she and her American husband, Richard, purchase Sound House, an ordinary-looking home overlooking the water, a series of weird events begins: inexplicable smoke and footsteps, a ghostly face at the window. After she is pushed down the cellar stairs by an unseen force, her charming (if slightly creepy) neighbor, Soren, convinces her that she is being haunted by the ghost of Karl Damsgaard, the original owner of Sound House. As the terrifying disturbances escalate, the desperate couple puts their faith in Rowena, a flamboyant psychic - which leads to the book's tragic conclusion. Inspired by actual events, *Shadows in Summer* is a deliciously scalp-prickling tale that will haunt readers long after the final page.
