

## Short Cuts (Vintage Contemporaries)

The nine stories and one poem collected in this volume formed the basis for the astonishingly original film *Short Cuts* directed by Robert Altman. Collected altogether in this volume, these stories form a searing and indelible portrait of American innocence and loss. From the collections *Will You Please Be Quiet, Please?*, *Where Im Calling From*, *What We Talk About When We Talk About Love*, and *A New Path to the Waterfall*; including an introduction by Robert Altman. With deadpan humor and enormous tenderness, this is the work of one of the true contemporary masters (The New York Review of Books).
