

The Fiddlers Gun: Letters

A fascinating companion to A. S. Peterson's acclaimed novel, *The Fiddlers Gun*. This collection of previously-lost letters and other documents provides a deeper glimpse into the life and adventures of American folk-legend Fin Button and the ragamuffin crew of the *Rattlesnake*. Who is the Boot Snuffler? What is he after? What conspiracy surrounds the Brandenburg Strudel? What happened to Wilberforce Octavian Albemarle, III? Contained within these historic letters are answers, insights, and a firsthand account of life during the American Revolution in the words of the legendary Fin Button herself.
