

## Shotgunned

Years ago, Kane Randlett lost his parents, his arm and his younger brother to Fetty, the meanest man in the west. Randlett watched as Fetty and his gang killed his parents and kidnapped his little brother. That very day, Randlett knew he'd never rest until he discovered his brother's fate and exacted his revenge on Fetty. Years later Randlett comes into a small western town at the call of a friend who believes the Fetty gang is again on the loose, robbing and killing... leaving his signature kill with that damnable shotgun. Randlett is anxious to bring in the man, who left him one-armed all those years ago, but more than that Randlett believes Fetty has managed to keep his younger brother captive and he means to rescue him whatever it takes.
