

## Still Waters (A High Priestess Iliona Ancient Greek Mystery Book 3)

When a consignment of gold goes missing near the Federations flagship posting station, Lysander can think of no better person to investigate than Iliona. The High Priestess of a river god paying homage at the Lake of Light is the perfect cover. But when an Olympic wrestler's chariot careens over a cliff, Iliona doesn't believe it was the accident it appeared. The only question is, which of the three women in his life staged the murder?
