

Striking Distance (A Kira Brightwell Thriller Short, Book 0)

Bad things can happen to good people--sometimes by accident, and sometimes by design. Even though Kira has just graduated from college, she feels adrift with no sense of purpose, which doesn't fit well at all with her parents' plans for her future. She escapes to her grandparents' cabin for some much-needed time alone, but someone has a more permanent getaway in mind for her. Suddenly, post-graduate blues don't seem so important. For Kira Brightwell, this is where it all begins... This 14,000 word thriller origin story is Book 0 in the Kira Brightwell Series and prequel to the novel *Split Decision*.
