

Summer of Pearls

Ben Crowell remembers the Great Caddo Lake Pearl Rush of 1874. He was fourteen that year, and his home, the riverboat community of Port Caddo, was dying. By the end of the summer, the pearl boom was over, Port Caddo was doomed, and the mystery over who killed Judd Kelso began.

It took Ben forty years to solve the mystery, and once he did, the proof came only for him to witness. He is the only living soul who will know what happened that September night in 1874.
