

## Leannan (Lovers): A Paranormal Romance, Book III (Anam Ceile Chronicles 3)

The Path which Destiny Beckons . . . After bidding farewell to her homeland of Ireland once more, Aislinn courageously returns to Italy to accept the offer presented her by the sophisticated ancient male Vampire, Niccolo, to reside with him in the beautiful Renaissance city of Florence. She is anxious to learn from him of his more compassionate and less primeval lifestyle as a Vampire. Finally, never will she have to kill again to satisfy her blood lust! But, will it really be as simple as all that? Aislinn is disheartened when it does not go as simply as she had hoped, and she must deal with killing again, even if it was an accident. Then once she finally has that mastered, she has to struggle against another sort of lust overwhelming her every time she is with her latest young male blood servant. Fearing she will make a mistake and lose herself to his charms, Aislinn hastily sends him away. Niccolo also introduces her to a more cultured life, showing her things and taking her places she would have never seen. After visiting Sanguelascivia, an erotic club with courtesans who cater to vampires, she takes on a female blood servant so that she will not be under the temptation of a man. They grow close, in every way imaginable. Being with Giuliana at least offers Aislinn some gratification from her persistently all-consuming carnal needs, until the day she can be reunited with her soul mate - hopefully soon. She focuses her efforts upon searching the city for the man she is convinced is the reincarnate of her lost love, Donovan - the very reason she returned to Italy. She tracks him down by his scent and he takes to romancing her like never before. Aislinn is quickly becoming rapt by his charms and is more than ready to succumb to his seductive touch. But is she absolutely sure it is him, after all, or is she at risk of making yet another serious misjudgment? And then to make matters

more confusing, Aislinn begins having recurring dreams and fantasies about Voljidaar, her dark and alluring creator from the land of cold and snow with his long pale hair and penetrating ice blue eyes, amongst his other even more desirable features . . . .If only she knew for certain the correct path, the one to which her true fate summons...Leannan (Gaelic for Lover) is the third novel in the Anam Ceile Chronicles, a series which centers around soul mates, true love, self-discovery, loss, vampires, lust, and the faith in reincarnation set in the lush backdrops of rugged coastal Ireland, beautiful, culturally rich Florence, Italy and Morocco, amongst others.All Books in theAnam Ceile Chronicles, listed in recommended reading order :Cailin, Book I (Full Novel)Donovans Struggle(Erotic Novella)The Awakening of Celeste(Erotic Novella)The Sins of Zahrah(Erotic Novella)The Falling of Katja(Erotic Novella)Soeis, Book II (Full Novel)The Submission of Giuliana(Erotic Novella)The Love of Vincenzo(Erotic Novella)The Seduction of Gretchen(Erotic Novella)The Turning of Niccolo(Erotic Novella) Autumn 2015Leannan, Book III (Full Novel)Soilsiu, Book IV Coming December 21st, 2015!\* 2nd Edition\*\*\* Warning: Contains Steamy Erotic Content.
