

The Burning Sky

To salvage his broken-down ranch, near-bankrupt Ben Pearce devises a hunting scheme, the consequences of which he cannot begin to imagine. The prey: three rare, fierce cats a leopard and two mountain lions caught in the wild. The predators: an arrogant Texas millionaire, his beautiful but disturbed wife, and their near-psychopathic teenage son. Each of them will hunt one of the animals with only Ben as guide: first the wife, then the son, and finally the Texan. In a closed New Mexico canyon, a hunt conceived in evil will run its deadly course when the hunters discover that the leopard is stalking them an unexpected twist in this terrifying game that will forever change their lives.
