

The Clearing

Some moments linger forever. Some curses cant be broken. Some crimes refuse to stay buried. With the eerie thrills of Dean Koontz, Dan Newman's seething suspense brings a young man back to St. Lucia, where he grew up, and where his guilt for the part he played in a murder continues to haunt. Now, thirty years later, Nate responds to his father's suicide with a trip back to St. Lucia, the land where he was raised as an outsider, tolerated but not accepted. As a boy he ventured out to the plantation of Ti Fenwe with three others?weak-willed Pip, and cousins Richard and Tristan. Surrounded on all sides by dense jungle, the boys explore, their only rule to be back in the house before nightfall. Because at Ti Fenwe, something ancient stalks the jungle, its reputation more horrifying than any of the boys can comprehend. But its a very real enemy who changes the boys forever, and snuffs out a life. Decades later, Nate comes back to finally gain a measure of peace over his role in the killing, and to uncover the deadly secrets of St. Lucia once and for all. Told in lush, hypnotic prose that perfectly mirrors its mysterious Caribbean landscape, *THE CLEARING* is one mans quest for the brutal truth at the heart of his deadly self-deception...An intoxicating, important debut. ?Laura Benedict, author of *ISABELLA MOON* and *DEVILS OVEN*

THE CLEARING is a dark and atmospheric psychological thriller, full of intrigue, terror and superstition, which examines our deep fear of the unknown. ?GUMSHOE REVIEWS
