

The Dismal Science: A Novel

Mountfords follow up to *A Young Mans Guide to Late Capitalism* is at once a cogent political drama and an acute meditation on the fragile nature of identity. *The Dismal Science* tells of a middle-aged vice president at the World Bank, Vincenzo DOrsi, who publicly quits his job over a seemingly minor argument with a colleague. A scandal inevitably ensues, and he systematically burns every bridge to his former life. After abandoning his career, Vincenzo, a recent widower, is at a complete loss as to what to do with himself. The story follows his efforts to rebuild his identity without a vocation or the company of his wife. An exploration of the fragile nature of identity, *The Dismal Science* reveals the terrifying speed with which a persons sense of self can be annihilated. It is at once a study of a man attempting to apply his reason to the muddle of life and a book about how that same ostensible rationality, and the mathematics of finance in particular, operates with similarly dubious results in our world.

? eXTReMe Tracker Personal Strength: Evolution Pro-Ana has Evolved. Ps-Evolution is a Pro Ana/Pro-Ana/ C.R.O.N. CRON Calorie Restriction for Optimum Nutrition resource and forum, seeking to include adult Pro-Ana, Pro Ana, proana, mia, C.O.E.
