

## The Further Adventures of Sherlock Holmes - The Devils Promise

THE DEVIL RISES. The discovery of a corpse on a deserted beach is just the first in a series of mysterious and terrifying events that threaten SHERLOCK HOLMES. Driven to investigate the death, Homes and Watson attract unwanted attention from the strange inhabitants of the nearby village, and are viciously attacked. Watson wakes to discover that months have passed and his friend is not the man he remembers. What has transpired during those lost days? And is it connected to the notorious devil worshipper whose descendants live nearby?
