

The Infernal Detective: Book Four in the Riga Hayworth Series (Volume 4)

Murder. The undead. Irritating relatives. When Riga Hayworth finds a dead body in her bedroom, it's par for the course. When the corpse drives off with her fiancée... That's a problem. Riga knows dead. More intimately than she'd like. So when a murdered photographer walks away from her pre-wedding party, she believes there's necromancy afoot. And when she discovers that several of her wedding guests are under the influence of dark magic, she's certain. But how can she catch a killer and stop a necromancer when even her nearest and dearest are lying to her? Marrying romance, mystery, and the metaphysical, *The Infernal Detective* is a fast-paced urban fantasy, where nothing is quite as it seems, and magic lies just beyond the veil. A high-voltage, cleverly spun mystery, that I couldn't put down. Riga Hayworth is addictive. - Diana Orgain, Best-selling author of *The Maternal Instincts Mysteries* Other Books in the Riga Hayworth Series *The Metaphysical Detective* *The Alchemical Detective* *The Shamanic Detective* Sign up to receive an e-mail when new books are released: <http://bit.ly/14MIiTc> Scroll up and grab your copy today.
