

The Last Family

Martin Fletcher wants revenge...and knows how to take it. Once an elite, drug strike force agent, Fletcher was framed by colleagues who knew he was feeding information to the drug cartels--framed and sent to prison. Vowing revenge, he escaped and began to kill, one by one, the families of those he blamed. And the man he blames most is Paul Masterson. Once Paul Masterson was the best at what he did. Then two young agents were killed saving his life in a drug raid that left Paul maimed and half-blinded. Shattered by guilt, he left his job and family for the mountains of Montana, where he has lived in his own prison of silence. Now the family Paul has not seen in six years is Martin Fletcher's final target--the last family. And Paul Masterson, who for six years has lacked the courage to see the people he loves most in the world, must face them again. He must create a foolproof safety net around their New Orleans home--all the while using his wife and children to lure an inhuman predator. And to prevail he must rediscover the fierce instinct to survive that once made him Martin Fletcher's match. From the Paperback edition.
