

The Mermaids Den: A Falling in Deep Collection Novella (Lunarian Tails Book 1)

Laura and Tom Flynn married after she fell for him hook, line, and sinker literally. Finding Laura in his fishing net had been a shock for Tom, but one he came to embrace as they quickly fell in love. For fifteen years, they have lived and worked by the sea, and Laura hasn't thought once of what she left behind when she chose to marry Tom. She doesn't regret giving up her mermaid form. It wasn't a sacrifice. It was a good decision, and one she made to survive. Now, with Tom missing at sea, Laura faces a decision she swore she'd never consider. In order to search for Tom and his crew, she must become a mermaid again and face the demons of the deep that she eagerly dodged when trading in her tail. Or she can stay on land and continue her life, but without Tom. Does she enjoy her future alone, without the man she loves, or face her fears and her past in the ocean? Either way, nothing will be the same for her again.
