Ashley Tiller is a normal college student in the sleepy town of Mixer Harbor. She finds her life turned upside down when her best friends disappear without a trace on a sorority event. To make the situation worse, they go missing at the Blackwood Hotel, an old establishment with a dark and eerie past. With no other options, she is forced to place her trust in a strange private paranormal investigator, Mars Maddock. Despite his unnerving character, Mars seems to know what has happened to her friends, and what to do to get them back. Mars agrees to help Ashley, but is she already too late?
