

## The Reign of Cnut: The King of England, Denmark and Norway (Studies in the Early History of Britain)

Taking into account the advances in the application of archaeological, numismatic, literary and onomastic (name studies) evidence, this volume seeks to assess the figure of Cnut as ruler, not only of England, but also of Denmark and Norway. The contributors take an international and interdisciplinary approach with necessary regard to the notion that national histories must be placed in their European context. How did Cnuts experience and obligations as king of one country influence his actions as king of others? Were his policies consistent or purely pragmatic? What were the social effects of his rule? The studies in this collection seek to illuminate the various influences which operated on Cnut as king and also explain some of the events of his life.

? eXTReMe Tracker Personal Strength: Evolution Pro-Ana has Evolved. Ps-Evolution is a Pro Ana/Pro-Ana/C.R.O.N. CRON Calorie Restriction for Optimum Nutrition resource and forum, seeking to include adult Pro-Ana, Pro Ana, proana, mia, C.O.E.
